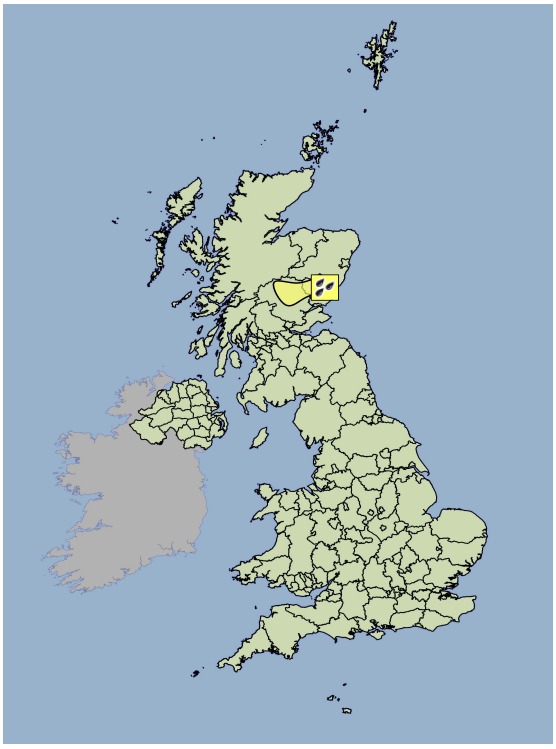
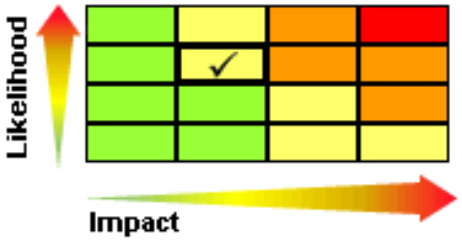
National Severe Weather Warning Service





Chief Forecasters Assessment
An active front will cross the region during Saturday afternoon, bringing 15 to 25 mm quite widely and over 30 mm may fall over the high ground. This rain will fall in a short period of time onto ground which is already saturated, increasing the risk of some local flooding.

The Met Office have issued a **Yellow Warning** of **Rain**

Valid from **13:00 on Sat, 02nd Nov 2013** until **16:00 on Sat, 02nd Nov 2013**

An area of heavy rain will cross Angus and Tayside this afternoon this falling in a short period. The public should be aware that this could lead to localised flooding.
